About Us

Directed by a dynamic team of young entrepreneurs, we are one of the leading manufacturers for room slippers and non-woven disposable products. Adhering to our vision of catering to our clients with best of the products, we have successfully empanelled ourselves with more than 400 institutional clients across India with exports to Bahrain, Dubai, Mauritius, Maldives, Nepal & UK.

INFRASTRUCTURE

100+ stitching machines | 20+ end to end converting machines | Manufacturing 70+ different products
Under one roof, making us one of the biggest manufacturers in its segments today.

QC

We are an ISO 9001:2015 and CE certified company and follow the best manufacturing practises at our facility. The production and packaging of goods are done with the concerned workers geared with all necessary safety and hygiene apparels. The production of hygiene sensitive products are carried in temperature controlled area with regular sanitisation of the premises. Each and every products dispatched from the facility is duly checked at various stages to avoid any inconvenience to our clients.

CSR

With more than 4,00,000 pieces manufactured every day, packaging of material is one of the biggest challenges for us. To overcome this, we have developed a packing centre where we train and hire the neighbouring house-makers on contractual basis to pack our products. This scheme has generated an additional household income of approximately INR 5000/- per head per month for more than 100 women, simultaneously uplifting their self-confidence and living standards. We also sponsor the primary education of children of selected employees every year, as a way of giving back to our workers who have helped us to reach where we are today.
